Subject: Bowie Power Station, L.L.C.
Compliance of Certificate of Environmental Compatibility Requirements
(Decision No. 64626)

Dear Chairman and Commissioners,

Condition No. 3 of Decision No. 64626 provides that:

"Within 45 days of securing complete easements or rights-of-way, for the entire alignment of the transmission lines hereby authorized, Applicant shall erect and thereafter maintain signs providing public notice that such easements and rights-of-way are the site of future transmission lines. Such signs shall be (i) no smaller than a standard highway information sign, and (ii) prominently placed at reasonable locations in close proximity to the proposed centerline of the transmission alignments which are accessible to the public. Further, such signs shall advise:

- A) that the site has been approved for the construction of Project facilities, including a 345 kV transmission line, as applicable to the individual site;*
- B) the expected date of completion of the Project facilities; and*
- C) a phone number for public information regarding the Project."*

Pursuant to the requirements set forth by the Commission in the Certificate of Environmental Compatibility granted on March 7, 2002 in Decision No. 64626, and subsequently amended by the Commission on February 20, 2007 in Decision No. 69339, Bowie Power Station, L.L.C ("Bowie") hereby submits the enclosed memorandum dated January 20, 2010 regarding *Bowie Power Station Transmission Line Signage* (Appendix "A"). The memorandum confirms that on January 16, 2010, five signs were posted in proximity to the Bowie Transmission Line Project pursuant to specifications found in Condition No. 3 of Decision No. 64626. The memorandum includes pictures of the sign's content and the GIS coordinates for each sign's placement at the site. A location map of the five posted signs is also provided.

Please direct any questions that may arise from this report to the undersigned at (602) 808-2004.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Martin Bailey", with a large, sweeping flourish at the end.
